High priority shall be given to Tri-County area (Lewis and Clark, Jefferson, and Broadwater) offenders for placement in CONTRACTOR'S program before placing offenders from other areas.

If the appeal hearing officer determines the findings of fact were clearly erroneous or the facility clearly did not follow appropriate procedure in the disciplinary matter, the appeal hearing officer may reinstate the offender and CONTRACTOR agrees to reinstate the offender at the Facility at the next available opening. If the appeal hearing officer determines the disposition is not proportionate to the offense, or if through the appeal process it is determined that the offender should be reinstated contrary to the recommendation of CONTRACTOR, CONTRACTOR will re-screen the offender through the local prerelease screening committee according to the terms of this Agreement. During the screening process, the offender will remain in the custody of the local detention facility until a determination is made

For reporting purposes, an "institutional" setting will be defined as Montana State Prison, Montana Women's Prison, a regional or private prison, or the Sanction Treatment, Assessment, Revocation, and Transition (START) Program. Invoices are subject to audit and adjustment by DEPARTMENT before and after payment is made. Unless such invoice is subjected to a special review or audit, CONTRACTOR is entitled to payment, or written explanation of exception, within 15 days of DEPARTMENT receiving a correct invoice.
8. During the transition period from July 1, 2005 to January 1, 2006, DEPARTMENT will pay CONTRACTOR a per diem rate of at least \$53.58 per offender, per day for male offenders, with no requirement for a 90-95% bed occupancy rate, or maintenance of a male offender population consisting of no less than 50% or more than 65% from an "institutional" setting (4% increase).

After completion of the initial three (3) month transition period following expansion, if CONTRACTOR fails to maintain occupancy and population consistency rates, the per diem rate per offender, per day will be paid at the minimum FY 2006 rate of \$53.07 for male offenders (3% increase). ***NOTE: Should CONTRACTOR'S "institutional" offender population ever exceed 65% of their total capacity during FY 2006 and FY 2007, CONTRACTOR will not be penalized for this, however, a higher per diem rate will only be paid for up to 65% and not above.**
11. From January 1, 2006 through June 30, 2006, should CONTRACTOR maintain a bed occupancy rate of 90% and a male offender population consisting of at least 50% and no more than 65% originating from an "institutional" setting, DEPARTMENT will pay CONTRACTOR a per diem rate of \$55.13 per offender, per day for male offenders referred from an "institutional setting" and \$52.04 per offender per day for males from a "non-institutional" setting (4% increase overall).

14. Fiscal Year 2007 (July 1, 2006 through June 30, 2007), should CONTRACTOR maintain a bed occupancy rate of 90% and a male offender population consisting of at least 50% and no more than 65% originating from an “institutional” setting per month, DEPARTMENT will pay CONTRACTOR a per diem rate of \$57.19 per offender, per day for male offenders from an “institutional” setting and \$52.04 per offender, per day for male offenders from a “non-institutional” setting (6% increase overall).

16. To determine the bed occupancy percentage, Transitional Living services, WATCH Aftercare beds, and Enhanced Supervision beds, will not be included in this figure or in the offender population consistency percentage. CONTRACTOR will determine appropriate per diem pay plan to bill each month, and note this on their monthly invoice. DEPARTMENT will conduct random audits of CONTRACTOR’S monthly billing invoice. DEPARTMENT shall make adequate referrals to CONTRACTOR to allow CONTRACTOR to maintain a male bed occupancy rate of 95%. The parties agree to arbitrate the issue of adequate referrals if it is raised by CONTRACTOR, pursuant to the arbitration provisions of this Agreement. DEPARTMENT shall pay CONTRACTOR at the rate CONTRACTOR alleges it would have been entitled to during the pendency of arbitration.
17. DEPARTMENT shall not reimburse CONTRACTOR for any offender whose length of stay extends beyond 180 days unless specifically authorized and approved in writing by the Contract Programs Manager prior to the expiration of the 180-day period. For good cause shown, as determined in the sole discretion of the Contract Programs Manager, exercised in good faith, DEPARTMENT may reimburse CONTRACTOR beyond the 180-day period. DEPARTMENT will assume custody of the offender at the end of the 180-day period if DEPARTMENT and CONTRACTOR have not come to an alternative agreement.

accordance with the terms of this Agreement. However, prior to withholding payment, DEPARTMENT shall notify CONTRACTOR and the MFFA (hereinafter defined), in writing, of its failure to perform. The notice shall specify acts or omissions constituting the default. If CONTRACTOR fails to remedy the default or submit an action plan deemed acceptable by DEPARTMENT within 60 days of receiving notice, DEPARTMENT may withhold payments.

19. CONTRACTOR shall reference the Contract number on all invoices and correspondence pertaining to this Agreement.
20. The conditions of reimbursement outlined above are effective for Fiscal Years 2006 and 2007. CONTRACTOR retains the right to renegotiate for Fiscal Year 2008 with the guarantee that compensation by DEPARTMENT will not be less than compensation paid in Fiscal Year 2007, subject to availability of funding. While the parties are renegotiating CONTRACTOR'S compensation, DEPARTMENT shall continue to compensate CONTRACTOR at the same rate as the previous fiscal year. After renegotiations have concluded, DEPARTMENT shall compensate CONTRACTOR at the new compensation rate retroactive to the beginning of the fiscal year.
21. In order to provide financing of CONTRACTOR'S prerelease center facility and improvements to such facility in July, 2000 CONTRACTOR requested the issuance of \$2,245,000 in tax-exempt bonds (the "Series 2000 Bonds") by the Montana Health Facility Authority (currently known as the Montana Facility Finance Authority and referred to herein as "MFFA") and a loan of the proceeds of the Series 2000 Bonds to CONTRACTOR pursuant to Montana Code Annotated Sections 90-7-226 through 228. As security for the Series 2000 Bonds, the MFFA required a written contract for services between CONTRACTOR and DEPARTMENT, which was executed July 19, 2000 and approved by MFFA pursuant to Section 90-7-226(1) MCA (the "July 2000 Contract"). In May 2004 CONTRACTOR also requested financing by MFFA for an expansion of its facilities by the issuance of \$250,000 in aggregate principal amount of MFFA bonds (the "Series 2004 Bonds").  - a. Payment by DEPARTMENT for additional reimbursement for the cost of the new facility and the maintenance of a 115% debt service coverage for the Bonds.
 - b. guaranty of payment by DEPARTMENT for 75% of the contracted bed space. The amount of payment is designed to cover CONTRACTOR'S fixed costs for a guaranteed 75% of contracted bed space.
 - c. As part of the compensation and deducted monthly from DEPARTMENT'S regular payments to CONTRACTOR, on August 15th of each year, DEPARTMENT shall pay, on behalf of CONTRACTOR, to U.S. Bank National Association, as Trustee (the "Trustee") of the Bonds under an Indenture of Trust dated as of July 1, 2000, as supplemented for the issuance of the Series 2004 and Series 2005 Bonds (the "Indenture"), the following amounts:

- i. the principal of and interest on the Bonds coming due in the following 12 months;
- ii. the Program Expenses (as defined in the Indenture);
- iii. any amounts necessary to make the Reserve Fund equal to the Reserve Requirement (as defined in the Indenture);
- iv. any amounts due under a Capital Reserve Account Agreement between the MFFA and the Board of Investments (as defined in the Indenture); and

22. If CONTRACTOR requests additional financing from MFFA for a prerelease center project through the issuance of additional bonds issued under the Indenture and secured with the Bonds, on a parity basis, by the provisions of this contract, then the commitments of DEPARTMENT referenced in Section 3(22) shall also apply to such additional bonds.

4. TIME OF PERFORMANCE

On or about March 1, 2007 and every two years thereafter during the term of this Agreement, the parties will meet to review the number of beds to be provided and the compensation rates described in Section 3 of this Agreement, as well as all other rates for services listed in this contract and, upon presentation of reasonable documentation, agree to amend the Agreement as necessary.
